Barton Willmore is the UK's leading independent and integrated Planning and Design consultancy, led by 29 Partners and employing 300 employees in 13 regional offices across the UK.

A Graduate at Barton Willmore will be a talented, commercially minded and enthusiastic professional with excellent communication skills and willingness to learn to become an expert in their field. We will provide the supportive environment and structured programme which provides you with exciting opportunities to work on a diverse range of projects in the residential, commercial, energy and infrastructure sectors. have client exposure, enjoy outstanding professional development and gain exposure to an innovative and exciting multi-disciplinary environment.

To have an impact in the role you will:

- Work collaboratively within your team
- Develop Architectural / Masterplanning / Landscape technical knowledge and awareness of other Barton Willmore disciplines and services
- Deliver a quality design service on a range of applications
- Have good working knowledge of AutoCAD, Sketchup, Photoshop, InDesign and Revit
- Support with the preparation of baseline site and context analysis, including photographic surveys of sites and their surrounding areas
- Assist with preparing designs, drawings and illustrations
- Produce early stage concept design options to a specific brief as required
- Contribute to the design process of early stage planning applications
- Assist with the co-ordination of project teams and project management, helping project leads to complete their tasks in delivering projects to time and budget
- Seek opportunities to grow your own network internally and externally

To succeed in the role, it is likely that you will:

- Have a relevant degree at 2:1 or above and postgraduate qualification
- Have relevant industry experiences and good knowledge of Architecture / Masterplanning / Landscape Design
- Be committed to continuing your professional development with a willingness to learn and progress
- Have excellent written and verbal communication skills
- Be personable and professional with high levels of motivation, ambition and drive
- Have excellent team-working skills
- Be commercially minded and take on personal responsibility
- Be committed and have an eye for detail
- Have an ability to manage your own time and workload
- Be proficient with Microsoft Office Suite
- Hold a full UK driving licence and are willing to travel nationally

We believe that it is our people and their individual talents that make us special. We work within a friendly, inclusive, and supportive culture and one of high support and high challenge, where we are not afraid to take on new and greater responsibilities and are each individually encouraged to grow and flourish both personally and professionally, with genuine career opportunities based on merit. We create a working environment that offers flexibility, adopting a hybrid approach to agile working and offer a wide range of benefits including profit-share bonus, car/car allowances, life assurance, generous pension scheme, a flexi-benefits package allowing you to choose benefits that are truly valuable to you including healthcare assistance, gym membership, competitive annual leave allowances plus the opportunity to buy and sell holiday. We encourage and reward individual initiative and autonomy within a context of teamwork and collaboration.
